1. On [REDACTED] it was learned that the Gendarmerie Kaserne, Leipzig-Niederitzsch (N 52/F 21), had been converted into a VP hospital. The main building and the building at a right angle to it seemed to be occupied to capacity but the other three buildings were apparently vacant. *

* Comment. The barracks installation in Leipzig-Wiederitzsch was previously reported to be occupied by VP personnel. It is believed that the installation houses the VP medical school as well as the VP hospital. See [REDACTED] For layout of the Gendarmerie Kaserne see Annex.
